

WVCA Members Do's and Don'ts

Do:

- Get involved.
- Sign up to attend events.
- Feel free to bring-up your ideas at the meetings.
- Think about attending NWACC meetings and meet corvette owners from throughout the Northwest.
- Ask for help from other club members if you need it. There is a lot of corvette expertise among our membership.
- Attend the events you sign-up for. Call the tour leader or a board member if you can't make it.
- Join WVCA members at Wallery's Pizza, West Salem, following the monthly meetings. Discounts are available to club members on these nights.

Don't:

Feel that you must attend everything.
