Willamette Valley Corvette Association

The Willamette Valley Corvette Association, Inc., was organized in 1968 to create an esprit-de-corps among Corvette owners; to further the general interest in Corvettes as a sports car; to provide an organization for the exchange of technical information between Corvette owners, dealers and the manufacturer; to encourage skillful handling and safe driving; to provide social gatherings of Corvette owners with a common interest; to encourage and assist members to compete in sanctioned events sponsored by WVCA and by other clubs of similar interests, and to encourage dealer/club cooperation and promote community betterment.

We maintain that one common interest - our Corvettes. We compete in rallies, auto-crosses and gymkhanas. We participate in local parades and car shows. We enjoy touring and socializing.

Members are welcome to attend events with-out their Corvettes and will be positioned at the end of the line. "Tin" cars also run with their parking lights on. Children and families are welcome to participate in most events.

"Save the Wave" Whenever you see another Corvette on the road wave!

We'd like other enthusiasts to join with us in the Willamette Valley Corvette Association.

I am interested in obtaining more information about WVCA; please send me an information packet
